Yes, I would qualify.. since the program is tomorrow (today is Saturday, and the program airs Sunday in about 25 hours or so), I think it would be appropriate to expedite my email, which you might need before 48 hours elapsed.

My apologies if waiting until the last minute (or day, is it were) was an inconvenience, but I'm moving as fast as an old dude can! :) -- PS: I did try you at your phone number a little earlier today (it's 3:17pm) and no one was there, and your voice mail box was full.

*Oops -- I just now notice that I made typo below -- I said "963" for one area code - ... :p LOL - Both my phone numbers are local **863** area code numbers... My bad!... in this email (below), I corrected it and highlighted it ... so I'm resending to your other 4 email addresses... it's the same as last time, but with the typo corrected & fixed.*

Doris, this is Gordon... I have good news regarding the college loan oppression situation:

Not only did the Lakeland Ledger publish my guest column this Thursday (Aug 04, 2016), but also Coast to Coast AM had me on as a caller (not quite a guest, but I had a long call), and George Noory, the host, asked me to email him some links.

Below are the links in question, plus I've included a few PDF email attachments that help clarify things on your end. This oppressive college debt affects almost all of us, but most especially the poor, minorities, and those who are disadvantaged in any way, and I hope we can give this the news attention that it needs to help coerce our Federal Lawmakers, of both parties, to do the right thing; I don't want a free handout (even tho Bernie Sanders *did* make an excellent case for that: We did have free and/or VERY low-cost, college in the past, in America, and Germany presently does have free, or every low-cost, college), but the poor people are bearing too much of the burden, and that's not right - and will crash the US Dollar, if not fixed, as the taxpayer guarantees these toxic, predatory loans.

OK, here was what I wrote him - and I've included a few email attachments. Please forgive and overlook if u get multiple copies, as I don't know the correct email address for you.

You may call me at home (863-688-9880) or on my prepaid cell (863-409-2109, if the home number doesn't work) almost any time, should you have questions, want to get me on the air, etc. - I hope to call in (or vice-versa) tomorrow evening, between 5pm and 6pm EST. (The letter below is my response to George asking me to email him links in case he wishes to post them on the Coast website.)

:-)

Gordon

Oh, and I wrote a book: <https://www.amazon.com/When-Babies-Die-Heaven-answer/dp/147820883X>
but it's not on the same subject matter..

ALSO: I nearly won in court for "the" Terri Schiavo - the feeding tube girl, remember? That's not on-topic, except that it shows my court action to fix "College Loan" predatory lending has merit:

Sources:

- [1] In Re: GORDON WAYNE WATTS (as next friend of THERESA MARIE 'TERRI' SCHIAVO), No. SC03-2420 (Fla. Feb.23, 2005), denied 4-3 on rehearing. (Watts got 42.7% of his panel) <http://www.floridasupremecourt.org/clerk/dispositions/2005/2/03-2420reh.pdf>
- [2] In Re: JEB BUSH, GOVERNOR OF FLORIDA, ET AL. v. MICHAEL SCHIAVO, GUARDIAN: THERESA SCHIAVO, No. SC04-925 (Fla. Oct.21, 2004), denied 7-0 on rehearing. (Bush got 0.0% of his panel before the same court) <http://www.floridasupremecourt.org/clerk/dispositions/2004/10/04-925reh.pdf>
- [3] Schiavo ex rel. Schindler v. Schiavo ex rel. Schiavo, 403 F.3d 1223, 2005 WL 648897 (11th Cir. Mar.23, 2005), denied 2-1 on appeal. (Terri Schiavo's own blood family only got 33.3% of their panel on the Federal Appeals level) <http://media.ca11.uscourts.gov/opinions/pub/files/200511556.pdf>

I did "better than Jeb!" because i used a "food and water" argument elucidated in Matthew 25:31-46, that Jesus gave in the Bible -- Jeb Bush (former Fla governor) and Schiavo's own family tried hard, but they used "feeding tube" arguments -- and didn't do nearly as well. (Think how well I would've done had I been "rich & famous" like Bush!_ -- alas,... i forgot these links... but I hope this is helpful in populating the coast website with not only good links, but also stuff you can outright upload to your site -- and host on your website, too... :)

George, it's "Gordon in Lakeland" - you asked me for some links of importance regarding the Student Loan issue ("Action Items," I imagine), so here are some good ones from which to pick.

By the way, I'm cc'ing your peeps at C2C, since I think my last email to you didn't get there (spam filters?). -- I'm also cc'ing Alan Collinge, e.g., <http://www.coasttocoastam.com/guest/collinge-alan/51913> -- He had kind words to say about he here: <https://twitter.com/alanslj/status/761660856631488513> and here: <https://twitter.com/alanslj/status/761615305806376960> and: <https://www.facebook.com/groups/sljgroup/permalink/10154310504486702/> and -- at the very bottom of his 'Florida' page, here: <http://StudentLoanJustice.org/Florida.htm>

OK, here goes nothing! -- here are some "key links": (I'm going to list some links that are mine, and some that are others' -- such as Alan, or other "friendly" news sources.)

First off, if you take a look at the "(Thr. 04 Aug. 2016, IN THE NEWS)" news item (blog entry) at:

www.GordonWatts.com (hosted by GoDaddy)
and:

www.GordonWayneWatts.com (hosted by HostGator - hey, I have TWO co-equal websites, in case I have a "Flat Tire" on the Internet Highway)
...and, for that matter, all of the 2016 news items...

You'll see a detailed list of relevant and recent news/opinion stories to many reputable news sources which will: ((1)) Educate the reader -- then, below that, you'll see the (((2))) 'Action Items' which include petitions, ways to contact Congress, your local press, etc. --- My "namesake" websites both have the "Unlimited" plans from their respective hosts, so you can tell visitors to hit them like a lightning rod, and they'll have "Industrial Strength" power to stay up, unlike "free" websites which will "fold" if a "Denial of Service" attack is done. -- you may "permalink" them and reference the "2016 news items" on College Loan injustices.

Secondly, here are some "permalinks" to the call-in Friday before last - it's a small "Fair Use" VIDEO/AUDIO clippet, so I don't offend your copyright :)

I, also, have a Twitter, a Facebook, and even a YouTube account (listed in the left-hand column of my "main" pages), and you're welcome to list them, but they are diverse, and don't focus exclusively on College Debt injustices. But my "main" page "permalinks" (archives) the key College Loan abuse stories for "all time." (I've paid up my hosting plans like 10 years in advance!)

PS: If you survive reading all that!... and are still bored & looking for links, see the bottom of these:

Remember OCCAM'S RAZOR -- "Less is More," George! -- so, don't freak out with all these links... you might use a few of the "main" links that both Alan and I have - along with judicious use of "mainstream media" news links. AND - let me remind you - you may also download *all* my stuff - and upload it to the coast website - and if you need "permission" for your legal team, my email here -- as well as these "official" links <http://gordonwatts.com/legal.html> and <http://gordonwaynewatts.com/legal.html> - give you the legal green light!
