Subj: Arry Arnwine, thank you for speaking [to me earlier today]: Here's my note defending voter rights...**Atty. Barbara Arnwine (info@barbaraarnwine.com), 202-602-7080****(Cc: Doris Moore Bailey)**

Thank you for speaking to me earlier in Doris Moore Bailey's show, Atty. Arnwine. I found the link to my old note, where I speak out against racial prejudice against Black voters: <https://www.facebook.com/notes/gordon-wayne-watts/voter-suppression-against-blacks-prejudice-must-be-stopped/10153770993470248> -

Doris said she'd post a link to your website (it was not on <https://www.facebook.com/dm.moore.bailey> but it was on <https://www.facebook.com/JuneteenthRodeo> - took a bit for me to find - sorry). -- Since you knot know me, & wanted to know my thoughts/intents, I wanted to show you that while I may slightly differ on the photo-ID matter, I am very upset that citizens do not have their civil rights (inc. voting) restored after serving their time. In my note, however, are a *lot* of links to news sources showing voter fraud, and, I add, absentee voter fraud, where the signature is disqualified, probably hurts Whites more, as they have more voters that use absentee than minorities - some of them being various affiliates of the liberal CBS, no friend to Conservatives or Republicans. For example:

VIRGINIA ? "Rockingham County officials confirmed the Federal Bureau of Investigation (FBI) is looking into voter fraud after a Democratic group registered dead people in Harrisonburg, Virginia."

Source: "Democratic Group Harrisonburg VOTES Registering Dead Voters in Virginia," September 30, 2016 By PPD Elections Staff <https://www.PeoplesPunditDaily.com/news/elections/2016/09/30/democratic-harrisonburgvotes-registering-dead-voters-virginia>

Here is the link to *my* OpEd, where I speak out **against** my friend, Republican Congressman, Rep. Dennis A. Ross (R-FL-15th), for not standing up for college loan bankruptcy, even tho he, himself, can get it (and, I add, any financial oppression, like with college students, here, prob. affects people of colour more: <http://www.TheLedger.com/article/20160804/COLUMNISTS03/160809884/1382/edit?p=all&tc=pgall> * "A Polk Perspective: Fix our bankrupt policy on student debt," By Gordon Wayne Watts, Guest columnist, The Ledger, August 04, 2016

Lastly, sorry I got a bit off topic with regard to the college debt matter, but both issues (the voter suppression, excessive photo-ID requirements, refusal to restore voting rights, etc.) **and** the college bankruptcy and deceptive lending matter (in my guest column) are yet 2 more forms of oppression, slavery, prejudice, simply because we're weak (and these oppressions work against all poor people, even primarily White Republicans, like me -- my small amount of Native heritage doesn't count, since I am so light-skinned).

PS: I've included PDFs of the docs above (and extra background info), if that's more convenient.

One thing, I think, is very important: While we may not always agree 100% on all matters, we do agree on many issues, and we should team up (because we're outnumbered as it is in many areas of mistreatment - college debt and voter suppression, being two) - and, thus, we should help each other. On those issues where we disagree, we can at least exchange thoughts, and I appreciate both of you being good neighbors.

Get Truth

"First, they [Nazis] came for the Jews. I was silent. I was not a Jew. Then they came for the Communists. I was silent. I was not a Communist. Then they came for the trade unionists. I was silent. I was not a trade unionist. Then they came for me. There was no one left to speak for me."(Martin Niemöller, given credit for a quotation in The Harper Religious and Inspirational Quotation Companion, ed. Margaret Pepper(New York: Harper &Row, 1989), 429 -as cited on page 44, note 17,of Religious Cleansing in the American Republic, by Keith A. Fornier, Copyright 1993, by Liberty, Life, and Family Publications.

Some versions have Mr. Niemöller saying: "Then they came for the Catholics, and I didn't speak up, because I was a Protestant"; other versions have him saying that they came for Socialists, Industrialists, schools, the press, and/or the Church; however, it's certain he DID say SOMETHING like this. Actually, they may not have come for the Jews first, as it's more likely they came for the prisoners, mentally handicapped, & other so-called "inferiors" first -as historians tell us-so they could get "practiced up"; however, they did come for them -due to the silence of their neighbors -and due in part to their own silence. So: 'Speak up now or forever hold your peace!'-GWW
