## Description

### Product Description

When Babies Die: Where do they go? Heaven? Hell? For ages, this question has baffled men and women, preacher and layman, learned and the "common man" -Joe Average citizen. Many a grieving parent have longed for solid, but true, answers, not just 'fairy-tale' assurances, lacking substance or reliability. Now, theological researcher, Gordon Wayne Watts, of Lakeland, Fla. (between Orlando & Tampa), whose claim to fame was almost winning the landmark 'Terri Schiavo' case -by himself -despite not being a lawyer, puts research skills to work on this case. His analysis addresses not only unborn babies who die in infancy and killed via abortion, miscarriage, stillbirth, & Early Infant Death -but also persons born with mental disabilities who subsequently die -and by extension, this may possibly include peoples who have never heard of the Gospel of Christ -such as remote tribes of the world.

First, there needs to be a distinction made with the 'proximal' fate, as opposed to the 'eternal' fate. (In other words, where the infant's soul is "for the time being" is NOT necessarily the same as his or her eternal fate, and there IS a difference.)

Second, while most simply have assumed an "innocent" baby would go to heaven (and this is probably true -for the 'time being'), the eternal fate is a different story. While the "ending" will catch most off-guard, it's a 'good' ending, rest assured.

Watts explores nine (9) different positions on this matter. and eliminates 7 of them as theologically

### insightful

Reviewed in the United States on January 23, 2014

while I have to disagree with Gordon on this matter..for I myself believe that when they die they will go to heaven..and then once there..true..they will have the right to either accept God or reject Him..I can see gordons spent a lot of time researching this matter and has come to his conclusions..it just happens ..I have my own conclusions...as a fellow member of my church..I applauded him for his ability to speak his mind in this matter..

### When Babies Die Where do they Go? Must Read Review

Reviewed in the United States on July 14, 2012

I have known this author for sometime and myself, being an author of 4 books and a long time pastor, have read much of this man's work and it is his passionate pursuing of theological truth has made me re-shift my own thinking and theology. His biblical wisdom and knowledge make this book a must-read for anyone who has ever wondered what happens to children, infants, toddlers,

and babies if they die. To heaven, hell, or another place? I am sure you will find Scriptural support for his reason's and give this a 5 out of a 1 to 5 star rating.

### **Very Good Conclusion!**

Reviewed in the United States on January 4, 2014

We'll, I don't necessarily agree with the 1,000 year view point Brother Gordon makes (as I believe more so on the Preterism side of Eschatology) but I do see his theory. Very good one. The conclusion of the matter, is God must give us all free will to choose him or not, and while babies go to heaven at first (I believe) they must eventually choose to accept or reject him. The angels had a choice, and some choose to rebel against God even in the presence of God, so yes I do believe sense they didn't get a chance on earth, God will still give them a chance to accept or reject him.

### **When Babies Die Where do they Go? Must Read Review**

Reviewed in the United States on July 17, 2012

I have known this author for sometime and myself, being an author of 4 books and a long time pastor, have read much of this man's work and it is his passionate pursuing of theological truth has made me re-shift my own thinking and theology. His biblical wisdom and knowledge make this book a must-read for anyone who has ever wondered what happens to children, infants, toddlers, and babies if they die. To heaven, hell, or another place? I am sure you will find Scriptural support for his reason's and give this a 5 out of a 1 to 5 star rating. I have changed my thinking on my own theological reasoning just because Mr. Watts digs deep into Scripture and compares line upon line to square his work with the Word of God. Believe me that you won't be disappointed with this sterling work.

Beautiful Once Again

### Perhaps the Most Insightful Book On the Subject

Reviewed in the United States on November 4, 2013

Very insightful and compelling study on the subject. Also very informative.

I highly recommend this book to parents who lost their little ones when they were babies. This book will bring you clarity and answer painful questions. Gordon also offers a lot of support material for his conclusions on the topic.
